

## Espenschied Chapel Memorial Brick

Commemorate a loved one with an engraved brick which will be placed at Espenschied Chapel. The proceeds from these memorial bricks will help us achieve our goal of making the chapel accessible.

On a normal 4 x 8 brick without a chamfer or beveled edge, 13 characters per line are feasible, with a maximum of 3 lines of type per brick. If the family name or the wording desired contains multiple A's, M's, W's or Y's, one space on that particular line must be sacrificed to compensate for the added space required by those larger letters.

Punctuation marks, hyphens, quotation marks and spaces between words must be counted as one complete space. Periods and commas are quite large due to limitations of the sandblast process and must be counted as a complete space. An ampersand (&) will be used in place of the word "and."

Please print your information on the form below. Each letter or punctuation mark you wish to appear on the brick must fit inside one of the boxes. Any form containing lettering that exceeds the character allowance will be returned to your organization for rewording.
